### **The ideal venue**

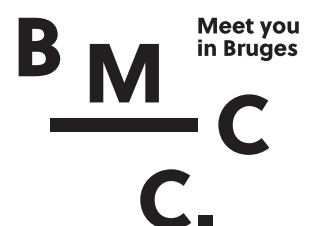

Meeting in the heart of historic Bruges is a unique experience. Step outside the BMCC and immediately discover what this beautiful UNESCO World Heritage City has to offer. Enjoy delicious food, have a drink in a lively bar, or pay a visit to a world-famous museum. The BMCC is easy to reach by public transport, on foot, by bicycle or by car.

### **It's all about people**

The BMCC team joins forces with you. Together we get to work and deliver the right foundation and structure for your event. We want everyone to feel at home at the BMCC.

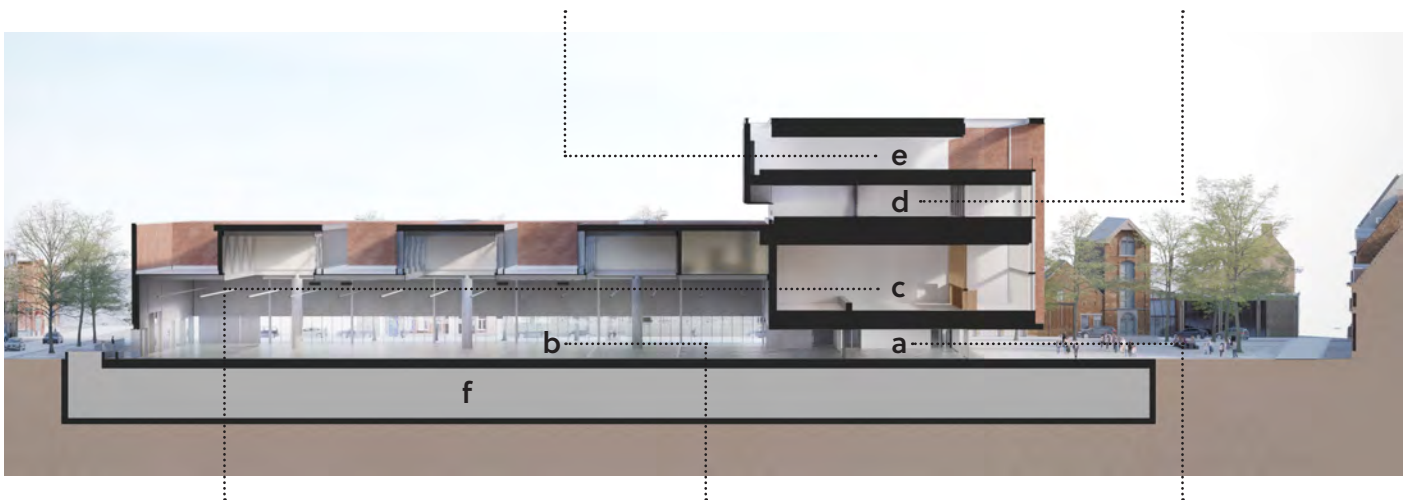

### **We have sustainability at heart**

Organizing your event at the BMCC is a sustainable choice. The building's green roof absorbs rainwater, purifies the air, and regulates indoor temperature. You can also rely on green energy thanks to heat pumps and solar panels, which allow us to charge electric vehicles in the underground parking garage. And what about the products for your event? We order them from local suppliers!
